

Hauschildt Music Company has purchased a new home at 1618 San Pablo avenue. It is announced the entire structure of three stories has been altered and changed to meet the requirements of the firm.

Spacious displays for pianos and individual music booths for records and radios have been arranged in attractive manner in the new quarters of the firm.

The store has been recognized as one of the leaders in the music world for thirty years, and the completion of this new home is another step forward in its achievements, it is pointed out.

The new store is under the management of Mabel Brunoni, well known in the bay district.

Seattle will be the meeting place of the mid-year conference of the western division of the chamber of commerce of the United States, which will be held December 7 and 8.

Latin America and the West Indies took 42 per cent of the total United States exports of textile manufactures during 1924 and 47.5

per cent during the first six months of 1925, according to the Textile Division of the Department of Commerce. The aggregate value of the shipments of textile products (not including raw cotton) to these countries was \$100,553,000 in 1924 and \$53,258,000 during the first half of 1925.

Get the Grape Juice Story

of

John Monnich

He came to Sutter Basin from Canada in 1923.

He planted 40 acres in Alicante grapes.

He built a home, started a fine garden and little orchard.

He produced in 1925 sixty-five tons of grapes.

He is sitting pretty and is glad he came to the famous

Sutter Basin district, near Sacramento, and built up his new home where the soil, climate, water supply, transportation and market conditions are all favorable.

The Sutter Basin Company will plant and care for 10 acres in vineyard for you on easy terms.

Heres' a fine chance for the salaried man, in the heart of the great Sacramento Valley.
